Major William L. Durrer  
Chief of Police, Fairfax County  
Fairfax, Virginia

Dear Major Durrer:

The Director has asked me to convey to you his thanks for the fine job of traffic handling which your Force performed at our Cornerstone Ceremony at Langley on 3 November.

The beautiful weather we were lucky enough to have brought out more guests than we had expected. Despite this, the handling of the parking at the site, plus the direction of the traffic on Highway 123, went very smoothly indeed and attest to your excellent organizing effort. In this connection, the work of Inspector Mahoney and Captain Shurnate in the planning and execution of the arrangements was especially helpful.

Sincerely,

15/

L. K. White  
Deputy Director
